EIRMC'S 7TH ANNUAL

Red Dress Concert

A GERSHWIN FANTASY

Saturday, January 30, 2009
Civic Auditorium – 7:30 p.m.
Tickets: \$30, \$22, \$16, \$9

This “POPs” concert features the multi-dimensional *Janice Martin* in a dazzling display of consummate artistry on violin, piano, voice and aerial dance.

To an audience awash in elegant red, the evening will deliver both thrilling music and dance, and an empowering rally cry - for local women to take charge of their heart health and live stronger, longer lives. The red dress is the national symbol for heart disease in women, reminding us to know and reduce our risk of heart disease.
